What do think about the Sunday shows?

What are your impressions of Barack Obama on Fox News Sunday?

Who do you think did a better job advocating for their candidate on ABC This Week, Team Obama or Team Clinton?

Was Sheila Jackson Lee the Sparkliest surrogate of all time?

Is Howard Dean doing a good job being the referee in this Democratic Nomination Process?

Did Wolfson seem more "worldly" and Axelrod more "book smart"?

Let us know what you think.

We look forward to your comments!
